Tare weight	
Total VGM Method 2	0

The duly authorized contact person of the shipper (by name and signature in the statement) hereby certifies, that the above mentioned shipment details have been evaluated carefully and according to the requirements of the international Convention for the Safety of Life at Sea (SOLAS); as they have published in Chapter IV, Part A, Regulation 2 - Cargo Information. The Verified Gross Mass statement contains the VGM per container (for FCL cargo) or per shipment (for LCL Cargo). Amendments, updates and/or corrections to the verified weights have to be communicated and submitted to Jaguar Freight Services immediately and without any delay. We understand and confirm that missing, incorrect and/or belated VGM statements may result in non-acceptance of the shipment by the vessel operating ocean carriers and a delay in the originally planned schedule. Any additional cost caused by this delay due to non-acceptance of the shipment by the carrier to be covered by the VGM declaring part (as undersigned above).
